

Town Council of Pedreguer, given the State of Emergency decreed by the Central Government as a result of COVID 19, coronavirus, is looking for young volunteers to help meet the needs of the elderly and/or people at-risk who are currently forced to stay in their houses.

The functions of volunteering will be:

- Collect requests by telephone.
- Go shopping for these people in supermarkets and/or pharmacies.

The volunteer must take all protective and hygienic measures determined by the health authorities.

The town council will provide an authorization to facilitate volunteer mobility.

Volunteer requirements:

- Be of legal age
- Do not belong to any at-risk group.
- Knowledge of English and the availability of a vehicle will prevail in order to be able to move to the urbanizations in our community.
- Availability for answering the emergency telephone.

At the moment volunteering is subject to a maximum of 20 people.

The Town Council will choose from the candidates who apply.

Those interested should send an email to participacio@pedreguer.es by March 27th, indicating their name, ID and telephone number and specifying whether they have their own car and know English.
